

## *Extend OSHC at Wandin North Primary School*

Hey everyone,

If you remember last term we made Roxy, the gecko for the kids club competition and we got 2nd prize out of 105 schools. I got the prize money. I bought a mini oven, we can make all different foods like cakes etc.

I worked the whole curriculum day. We had a good day we made some cakes, we used our new oven and decorated them. I bought my sewing machine from home and the kids created all different creations out of material. Some kids made a pillow, some kids made superhero capes etc.

Over the past couple of weeks, we have been making all different activities. We have made exploding lunch bags, bouncing raisins, lava in a cup, volcanoes. Last week was our superhero week– we made some different superhero activities.

We have a bear in BSC & ASC, we named it Tim-Tam and my mum made it a cardigan. Just wanted to say THANK YOU! Tim– Tam looks great!

I'm very proud of all the children this year from what they learned and how they are growing up so fast.

Just wanted to say a huge THANK YOU to everyone who voted for me for the Gilbies. Sadly I didn't win. Hopefully next year.

I just wanted to say good luck and all the best to the grade 6's that are going to high school next year. Come and visit us!

Hope you all have a fun xmas and have a well deserved holiday.

I will be in England for some of the holidays. YAY!!!

Thank you everyone for a great year..... See you all next year

Amy Kennedy (Coordinator, BSC & ASC)
