- ◆ **School Infrastructure Update :** Over the last 18 months, the asphalt at the front entrance of the school and where double deliver gates is deteriorating. I would like to inform parents that there is work happening behind the scenes to rectify the area. In December 2023, Wandin North had a rolling facilities audit that occurs every 5 years. This area was identified for further investigation by the Victorian Schools Building Authority (VSBA). The area is complex as it has several storm water drains and pipes running underneath the asphalt. Drainage is an ongoing issue at Wandin North and the VSBA has engaged additional consultants and is obtaining quotes for the design. Unfortunately, when the VSBA is involved with projects, it takes time. I will provide another update when the I hear more.

- ◆ **Sunsmart Hats :** From today, it is an expectation all students have a Wandin North PS sunsmart hat. We have plenty available at the office for \$12 (correct cash). Students who do not have a hat will be required to play on the Prep decking at lunch time and attend lunch club at recess.
