Noteworthy :

- ◆ **Car Park Safety** : Parents are reminded to be vigilant in the car parks. We ask for you to be aware of students, parents and vehicles within the car parks before and after school.

Please be patient, drive at walking pace, and refrain from parking in areas that may hinder or obstruct other car park users. To ensure safety for all users please refrain from blocking gateways, turning areas and disabled parking spaces. The double gateway next to the front shelter and marked zebra crossing leading to the school crossing over Warburton Highway MUST BE KEPT CLEAR at all times.

Parking spaces are limited and we request that you consider others by parking appropriately, making sure that you allow enough space for other cars to enter and leave the area.

Reminder - parking spaces are available above the basketball court for 4WD vehicles.

Bike Riders : We ask drivers to be aware of students who ride bikes to school and cross over the gravel carpark. Parents are encouraged to discuss bike safety with their children and remind them to walk their bikes past the carpark entrance.

We have reached out to the Yarra Ranges Council to seek a permanent solution regarding crossing safety at the gravel carpark.

Everyone's safety is our main concern and thank you for your ongoing cooperation in this matter.

Your assistance is greatly appreciated.
